写在前面

你好呀！谢谢你的关注～

这份 PDF 整理了我使用 GPT Live

练习口语时的一些方法和指令，希望能帮你更轻松地开始练习，也少走一点弯路。

后续我会持续分享和更新 **AI 与语言学习** 相关的内容，包括 AI 口语练习、学习提示词、知识整理以及更多实际学习场景。我也会根据大家的反馈，不断补充和优化这份资料。

如果你也对 AI 学习工具、多语言学习和学习方法感兴趣，欢迎在小红书关注

每次开始新的练习内容：可以复制这个指令

复制指令

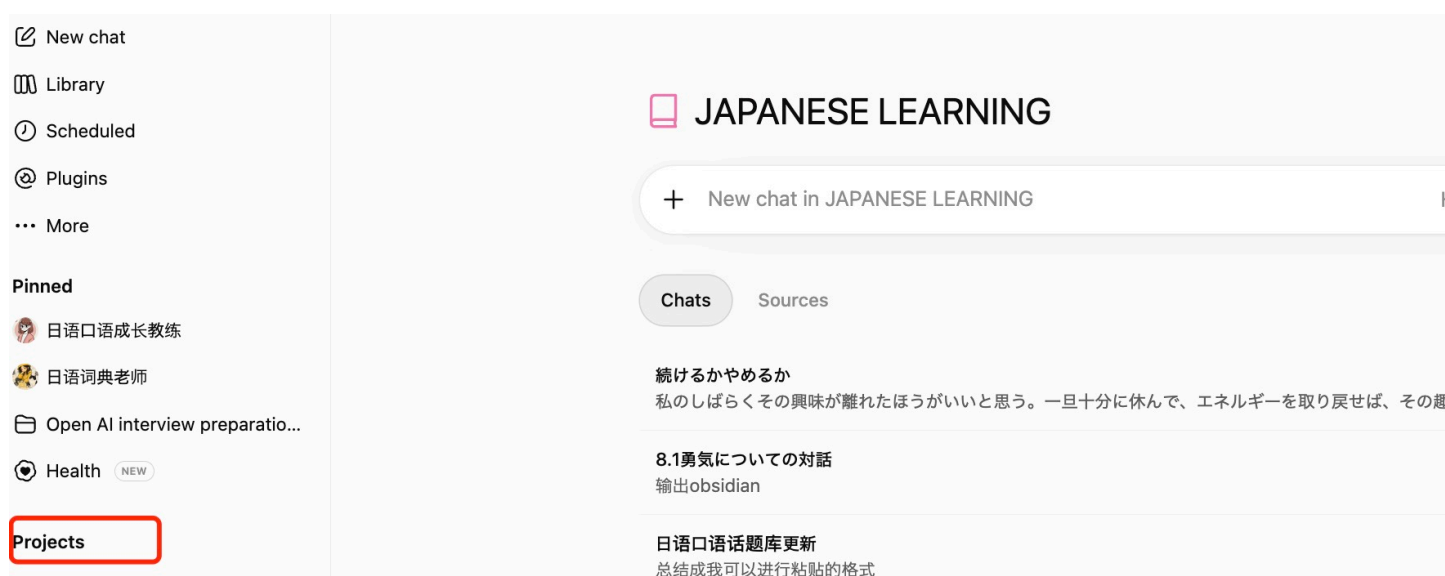

- 1 Assume I am an English learner, and you are a very professional and encouraging English instructor
- 2 I want to practice my spoken English by having a conversation with you.
- 3 Please listen to me very carefully. Whenever I make grammatical mistakes, use unnatural expressions, or say something that does not sound authentic or natural in English, please point it out and correct me immediately after I finish my sentence.
- 4 Do not interrupt me while I am speaking. Wait until I finish my sentence before giving me feedback.
- 5 When I switch to Chinese because I do not know how to express something in English, please also point it out and tell me how to express it naturally in

1.1 不想每次都复制指令？创建Project

为什么每次练习的体验都不一样？每次打开 AI，都要重新说明：

- 我的语言水平是什么
- 我想练习什么
- AI 应该如何纠错
- 最终需要什么输出格式

不仅操作麻烦，也容易因为指令不完整，导致每次获得的练习体验不一致。

更适合长期练习的方法。对于需要长期、重复进行的学习任务，可以创建一个独立的 **Project**。

将长期有效的练习规则、参考资料和输出要求集中放入 Project 中。之后开始练习时，不需要每次重新复制完整指令。

可以分别创建的 Project

- 🗣️ 日语口语练习
- ✈️ 英语旅行对话
- ✍️ 写作修改
- 💼 面试练习
- 未完待续.....

1.2 通用 AI 指令框架

一条完整的 AI 指令，通常可以拆分为以下五个部分：

一张卡片看懂语言学习指令

ROLE

角色设定

告诉 AI 它要扮演谁，需要具备什么教学能力。

例：你是一位专业、耐心、鼓励型的英语口语教练，擅长帮助初学者练习旅游场景对话。

CONTEXT

背景说明

说明你是谁、你的水平、目标和具体使用场景。

例：我是第一次出国旅行的英语学习者，基础一般，最想练习机场、酒店、点餐和问路时的表达。

TASK

任务目标

明确这一次要练什么，而不是笼统地说“陪我学英语”。

例：请和我进行一段旅游英语口语练习，重点练习酒店 check-in 和向前台提出需求。

WORKFLOW

练习流程

告诉 AI 这次练习应该怎么推进，避免它一下子把整段答案都给出来。

例：请一次只问我一句，根据我的回答继续对话，如果我卡住，可以给我一个关键词提示，等场景结束后再统一纠错。

CONSTRAINTS

限制条件

说明 AI 不该做什么，避免练习体验被打断或跑偏。

例：不要在我说话时打断我；不要一次性展示完整对话；不要纠正每一个小错误，只指出最重要的问题。

TONE + 建议补充

语气风格

补充 AI 应该用什么样的语气和互动方式，让学习体验更贴近你的需求。

一句话记忆

Role：它是谁

Context：你是谁

Task：要做什么

Workflow：怎么做

Constraints：哪些事情不能做

二 常见旅游场景类型

根据自己想练习的旅行场景，选择并复制对应指令。

机场全程

机场指令

- 1 Act as an international airport staff member and guide me through a complete airport journey, from check-in and baggage drop to security, immigration, boarding, and baggage claim.
- 2
- 3 Include realistic problems such as overweight luggage, a delayed flight, a gate change, or lost baggage.
- 4
- 5 Speak slowly, ask one question at a time, and wait for my response.
- 6
- 7 Give me a short Chinese hint only when I cannot continue. Save all corrections until the scenario ends.

酒店入住

酒店入住

- 1 You are the receptionist at a hotel where I have made a reservation.
- 2
- 3 Start with check-in, then naturally introduce situations such as asking about breakfast, requesting a late checkout, reporting a noisy room, asking for extra towels, or questioning an unexpected charge.
- 4
- 5 Do not show me the whole dialogue in advance. Respond naturally based on what I say.
- 6
- 7 Ask one question at a time and wait for my response. When my meaning is unclear, help me rephrase it without giving me the entire answer.
- 8
- 9 Save all corrections until the scenario ends.

餐厅点餐

餐厅点餐

- 1 Create a realistic restaurant role-play. You are the server, and I am a customer.
- 2

- 3 Give me a short fictional menu first. Let me ask about dishes, ingredients, recommendations, dietary restrictions, substitutions, and the bill.
- 4
- 5 Keep the conversation appropriate for my English level. Ask one question at a time and wait for my response.
- 6
- 7 If I get stuck, give me a useful keyword or sentence starter instead of the full answer.
- 8
- 9 Save all corrections until the scenario ends.

打车与问路

打车问路

- 1 Create a realistic taxi and directions role-play. You are a taxi driver, station employee, or local person, depending on the situation.
- 2
- 3 Let me explain where I want to go, confirm the destination, ask about the travel time and fare, give an address, and clarify where I should get off.
- 4
- 5 Naturally introduce situations such as the driver taking the wrong route, heavy traffic, difficulty finding the destination, a road closure, or needing to change transportation.
- 6
- 7 Ask one question at a time and wait for my response.
- 8
- 9 If I get stuck, give me a useful keyword or short sentence starter. Save all corrections until the scenario ends.

购物

购物

- 1 Create a realistic shopping role-play. You are a store assistant, and I am a customer.
- 2
- 3 Let me ask about the price, size, color, material, availability, discounts, fitting rooms, payment methods, returns, and tax refunds.
- 4
- 5 Naturally introduce situations such as the item being out of stock, the wrong size, a damaged product, a declined payment, or requesting an exchange or refund.
- 6
- 7 Do not show me the whole dialogue in advance. Ask one question at a time and respond naturally based on what I say.

8

9 If I get stuck, give me a keyword or sentence starter. Save all corrections until the scenario ends.

应急问题

应急问题

- 1 Give me one random travel problem, such as a missing reservation, lost passport, stolen wallet, damaged luggage, missed train, or feeling unwell.
- 2
- 3 Take the role of the relevant staff member and ask me for the information needed to solve the problem.
- 4
- 5 Do not tell me the solution immediately. Make me explain what happened, provide important details, and clearly request the help I need.
- 6
- 7 Ask one question at a time and wait for my response.
- 8
- 9 Give me feedback only after the situation has been resolved.

三、托福 / 雅思口语专项训练

如果正在准备托福或雅思，可以按照口语考试中的不同 **Task / Part**，分别设置对应的 AI 指令。

不同任务考查的能力并不相同，因此需要针对以下内容调整练习方式：

- AI 扮演的角色
- 提问与互动方式
- 准备时间和回答时间
- 是否允许提示
- 反馈内容与评分标准

练习方式

托福口语可以按照**Listen and Repeat**以及**Take an Interview**来设置（新规）

雅思口语可以按照 Part 1、Part 2 和 Part 3 设置不同的模拟方式。

TOEFL 托福口语

Listen and Repeat | 听力复述

练习重点： 听清句子、准确复述，并保持清晰的发音、重音、节奏和语调。

Listen and Repeat

- 1 Act as a TOEFL speaking coach.
- 2
- 3 Simulate a Listen and Repeat task in a realistic academic or
- 4 campus setting.
- 5
- 6 Say one sentence aloud at a time. Do not type or display the
- 7 sentence before I respond.
- 8
- 9 Play each sentence only once, then wait for me to repeat it.
- 10 Gradually increase the sentence length and difficulty.
- 11
- 12 Do not correct me or give me hints during the task.
- 13
- 14 After the full set, evaluate my performance based on:
- 15 - accuracy
- 16 - intelligibility
- 17 - pronunciation
- 18 - stress and rhythm
- 19 - intonation
- 20
- 21 Identify only the three most important problems. Show me the
- 22 sentences I did not repeat accurately and let me try them again.}

Take an Interview | 模拟面试

练习重点： 理解问题、直接作答、展开观点，并使用理由或个人经历支持回答。

Take an Interview

- 1 Act as a TOEFL speaking interviewer.
- 2
- 3 Create a realistic interview situation related to academic or
- 4 campus life.
- 5
- 6 Introduce the situation briefly, then ask me one question at
- 7 a time.
- 8
- 9 Begin with questions about factual information or personal
- 10 experience. Gradually move to questions that require opinions,
- 11 explanations, or predictions.
- 12
- 13 Do not show me all the questions in advance.

14 Do not interrupt, correct, or help me while I am answering.
15
16 After the interview, evaluate my responses based on:
17 - clarity
18 - fluency
19 - organization
20 - idea development
21 - vocabulary and grammar
22 - pronunciation
23
24 Identify the three most important problems in my responses.
25 Then provide a clearer response structure for my weakest answer.

IELTS 雅思口语

Part 1 | Introduction and Interview

 Part 1: 个人信息与日常话题

练习重点： 自然、直接地回答熟悉话题，并适当补充原因和细节。

Part 1

1 Act as an IELTS Speaking examiner.
2
3 Ask me questions about familiar topics such as:
4 - my home
5 - work or studies
6 - hobbies
7 - daily routines
8 - food
9 - travel
10
11 Cover two or three topics and ask one question at a time.
12
13 Do not correct me, complete my sentences, or give me hints during the
interview.
14
15 Use natural follow-up questions when appropriate, but keep the questions
suitable for IELTS Speaking Part 1.
16
17 After Part 1 ends, evaluate my performance based on:
18 - fluency and coherence
19 - lexical resource
20 - grammatical range and accuracy

- 21 - pronunciation
- 22
- 23 Identify my weaker answers and show me how to make them more natural, specific, and complete.

Part 2 | Individual Long Turn

Part 2: 个人陈述

练习重点： 围绕 Cue Card 连续表达一至两分钟，并保持清晰的内容结构。

Part 2

- 1 Act as an IELTS Speaking examiner.
- 2
- 3 I will provide an IELTS Speaking Part 2 cue card, or you may generate one for me.
- 4
- 5 Give me one minute to prepare.
- 6
- 7 During the preparation time, do not give me a complete answer. You may remind me that I can make brief notes.
- 8
- 9 After the preparation time, let me speak for up to two minutes without interruption.
- 10
- 11 When I finish, ask one or two brief follow-up questions related to the topic.
- 12
- 13 Then evaluate my performance based on:
 - 14 - organization
 - 15 - fluency and coherence
 - 16 - lexical resource
 - 17 - grammatical range and accuracy
 - 18 - pronunciation
- 19
- 20 Identify the main weaknesses in my response and provide an improved answer outline rather than a script that I must memorize.

Part 3 | Discussion

Part 3: 深入讨论

练习重点： 对抽象问题进行分析、比较、解释和预测。

Discussion

- 1 Act as an IELTS Speaking examiner.

2
3 Continue from the Part 2 topic and ask me more general and abstract questions.
4
5 Encourage me to:
6 - explain reasons
7 - compare different views
8 - discuss causes and effects
9 - evaluate advantages and disadvantages
10 - give examples
11 - make predictions
12
13 Ask one question at a time.
14
15 Use natural follow-up questions based on my answers. Do not show me all the
questions in advance.
16
17 Do not correct me, complete my sentences, or give me hints during the
discussion.
18
19 After Part 3 ends, give detailed feedback based on:
20 - fluency and coherence
21 - lexical resource
22 - grammatical range and accuracy
23 - pronunciation
24
25 Point out where my ideas were underdeveloped, unclear, repetitive, or
insufficiently supported.
26
27 Then help me improve several of my weaker answers.

四、设置反馈/沉淀

核心原则

-  ☐ 设置反馈时，不要追求多，而要追求精。
- ☐ 每次只抓住几个最重要、最值得反复练习的问题，往往比一次纠正所有错误更有效。

指令设置

指令需要回答以下几个问题

- 我这次哪里表达得不清楚？
- 哪些问题反复出现？
- 下一次最应该改什么？

详情指令

- 1 After each speaking practice, select only the three most important problems in my response.
- 2 Focus on:
 - 3 - repeated mistakes
 - 4 - problems that affect clarity
 - 5 - expressions that sound noticeably unnatural
- 6 For each problem:
 - 7 1. Show my original expression.
 - 8 2. Explain the issue briefly.
 - 9 3. Provide a clearer or more natural version.
- 10
- 11 Then summarize:
 - 12 - three useful expressions
 - 13 - one repeated mistake
 - 14 - one goal for my next practice
- 15
- 16 Finally, ask me to use the two most important corrections again in new sentences.
- 17 Keep the feedback concise and do not correct every minor error.

核心逻辑：不要要求 AI 对每个维度都逐一评价，而是让它只挑选最重要的问题

完成练习：→ 找出关键问题 → 修改表达 → 重新输出

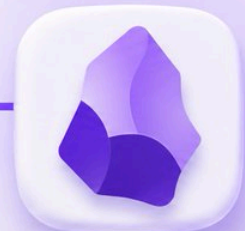

！！避免信息过载，跟读优化句式，慢慢改掉自己的问题

沉淀反馈 -obsidian

沉淀格式指令

- 1 After each speaking practice, create a learning record using the following Markdown structure:
- 2 # Speaking Practice Review
- 3 ## Key Corrections
